

Church Leadership Network

Church Leadership Network: This network is open to all churches in the United States for pastoral support and leadership. Process

1. A church makes an inquiry about our ministry.
2. Preparing for Amazement learns about the church.
3. Preparing for Amazement may make some additional, specific, support recommendations.
4. Preparing for Amazement prepares a proposal for the church.
5. The church reviews the proposal. A network covenant agreement is executed.
6. The church becomes an operating member of the network.
7. The church may choose to not renew their network membership at the renewal date.

Expectations of Participating Churches:

- Financial Commitment: yearly fee based on the covenant.
- Other Commitments: based on church revitalization network document.
