Church and Leader Health

Empowering and equipping churches and leaders to create lasting and transformational health.

Services Offered

- **Health Retreats** The purpose of our health retreats is to equip teams to have greater leader and team health. These retreats are offered in 1, 1.5 or 2 day formats. We utilize a variety of approaches including teaching, activities and other tools to enhance the health of the participants as individuals and as a whole. Each retreat addresses church health, leader health, team building and personal spiritual formation. We offer these retreats for two different audiences:
 - Staff Health Retreats (for staff teams).
 - Governing Board Health Retreats (for elders, councils, sessions etc).

We offer the following add-on services to our health retreats:

- **Staff Health Consultations:** 45-60 minute individual leader health coaching sessions.
- **Senior Leadership Coaching:** Targeted time with senior leader(s) providing consulting focused on developing a healthy staff culture.
- **Church Health Consultation** An assessment of the health of a church using the habits of healthy churches. Includes a 2-4 day onsite visit, virtual meetings and surveys.
- **Education** Seminars for churches ranging from 1-4 hours covering topics such as: habits of healthy churches, leader health, conflict in the church, healthy leadership principles and models.
- **Pastors4Pastors** Membership in Pastors4Pastors includes participation in monthly discussion groups focused on leader and church health as well as 3 hours of initial leader health coaching and 3-6 hours of yearly leader health coaching depending on level of support chosen. Pastors4Pastors is open to all ministry staff.
- **Local Ministry Support Groups** Models, support and resources are provided to local groups seeking to form healthy, local ministry staff support networks.

Outside of the work of God through the Gospel, health trumps all!

Look at the nations and watch— and be utterly amazed. For I am going to do something in your days that you would not believe, even if you were told.” Habakkuk 1:5

Church Revitalization

Empowering and equipping churches to resemble the church from Acts in their context.

Services Offered

- **Revitalization Networks** The purpose of our revitalization networks is to provide resources and connectivity to all leaders and churches desiring church revitalization. Depending on the needs, our network provides templates, documents, learning resources, connections and trainings for any given ministry. We offer three types of revitalization networks:
 - *Churches*
 - We offer three levels of support. Every level includes connection to other network churches and offers access to various parts of our learning and resource platform.
 - *Ministry Leaders*
 - We offer three levels of support. Every level includes connection to other network churches and offers access to various parts of our learning and resource platform.
 - *Church Leadership Network*
 - We offer two levels of support for churches without a pastor or trained support. Each level of support includes initial consultation, high quality pastoral support (preaching, leadership) and leadership training.
- **Church Revitalization Support Consultation** A consultation to assess the needs of a church seeking revitalization.
- **Education** Educational seminars offered for churches ranging from 1-4 hours cover topics such as church revitalization and church culture.
- **Crisis/Conflict Intervention** Crisis or conflict intervention is provided for churches struggling with a significant conflict or crisis to include assessment, recommendations and implementation support.
- **Transition Services** Support is provided for churches experiencing significant transition such as leadership, denomination or mission/vision transition.
- **Racial Reconciliation Consult** A multi-cultural team provides contextualized support for churches working to address racism or racial reconciliation in their church or community.

Our mission is to revitalize and build the global church.

International Ministry

Providing access to education and training to leaders in developing areas around the world.

Services Offered:

- **Pastor, Youth Pastor and Church Leader Training** This program will both provide a curriculum for training leaders and deliver training to leaders in countries where poverty prevents them from receiving a formal education or quality training. These partnerships will be developed with organizations, denominations and church leaders in various countries in order to provide training opportunities.
- **International Internships & Learning Experiences** This program will bring international internships to churches throughout the United States to benefit both churches and international pastors. Secondly, it will create opportunities for American churches and pastors to travel to countries to teach and learn from other churches, ministries and ministry leaders.
