

Preparing for Amazement Ministries

Empowering and equipping churches and leaders to create lasting and transformational health

August 2022

Update

It has been an exciting summer with Preparing for Amazement Ministries. Our staff team is now up to 4 people: 1 full time & 3 part time. Our Pastors4Pastors initiative continues to move forward with over 30 participants in 5 groups. This summer we worked on launching our platform of resources for churches and leaders. This will include video teaching resources, sample documents & much more. Our staff wrote some excellent blog posts that we encourage you to check out.

In working on launching our new platform, we focused on our premier content, The Habits of Healthy Churches. We have developed a seminar, a video teaching series & our Executive Director, Rev. Dr. Marcus J. Carlson, is currently working on a book by that title.

We are excited for all God has in store for our ministry as we seek to live out our mission to revitalize & build the global church & we appreciate your partnership in that.
