

Church Leadership Network

Church Leadership Network: This network is open to all churches in the United States for pastoral support and leadership. Unfortunately, there are many churches in the United States who cannot find or afford a full-time pastor. This network provides high quality pastoral leadership from trained, ordained pastors virtually/remotely and in person based on the needs of the church and the resources of Preparing for Amazement Ministries.

We offer two options for support: Technology Based and Non-Technology Based.

Church Leadership Network-Both Options

- **Initial Support**

- Meetings to get to know ministry and needs
- Trainings for key staff and leaders
- Design a proposal for leadership and support

- **Ongoing Support**

 - Weekly & special service sermons for the year (written or video based on option)
 - Virtual attendance for board meetings and other meetings as agreed
 - Virtual education, training and support at least once a year as agreed and scheduled
- In person high quality pastoral support and leadership
 - Quarterly worship and preaching leadership as scheduled
 - In person education, training and support at least once a year as agreed and scheduled

 - See Church Revitalization Network for additional information.

Church Leadership Network

Process

1. A church makes an inquiry about our ministry & Preparing for Amazement learns about the church.
2. Preparing for Amazement may make some additional, specific, support recommendations.
3. Preparing for Amazement prepares a proposal for the church.
4. The church reviews the proposal. A network covenant agreement is executed.
5. The church becomes an operating member of the network.
6. The church may choose to not renew their network membership at the renewal date.

Expectations of Participating Churches:

- Financial Commitment: yearly fee based on the covenant.
