

Preparing for Amazement Ministries

Empowering and equipping churches and leaders to create lasting and transformational health

December 2022

Update

We Need You! We could not do the ministry work we are privileged to do without your prayers and financial support! We are so thankful for our many donors. This year we expanded our Pastors4Pastors ministry from 6 people to over 30! Next year, we will add more groups as well as a group for spouses of pastors and ministry leaders. At the end of January, we will head to Uganda and Kenya training ministry leaders and pastors in poverty who have little to no access to education and training.

As we finish this year and begin the next year, we could use your prayers and financial support. Specifically, we are looking for support:

1. To close our \$30,000 gap for this year.
2. To send free Habits of Healthy Churches books to pastors, staff and other leaders.
3. Sponsors for new Pastors4Pastors and spouses groups.
4. For our training trip to Uganda and Kenya!
5. For more prayer team members.

You can support us using the QR code to the right, by visiting our website, or contacting us.

Book Released!

Habits of Healthy Churches: 7 Practices to Transform Your Church Culture

“It is in the seasons of greatest unhealth that health is most possible. Getting healthier increases effectiveness and longevity, but it can also provide hope, direction and renewed life.”
