

Preparing for Amazement Ministries

Empowering and equipping churches and leaders to create lasting and transformational health

April 2023

Some of our staff, board members, & volunteers meeting in Omaha in March.

Update

It has been a very busy start to the year for our ministry: our trip to Africa (Uganda and Kenya) in January, leading at breakout session at Best Practices for Ministry in Phoenix in February, and in person team and staff meetings in Omaha in March. We currently have several other conferences, seminars, and events on the calendar.

We had over 70 people attend our breakout on Habits of Healthy Churches at the Best Practices event. Our room was so full that people were sitting on the floor. It was also great to be an exhibitor and engage with many church leaders. We also gathered some of our volunteers and our staff in Omaha in March to work hard on our ministry to churches and leaders. It was a fruitful time that included engaging with some new ministry partners. The staff were able to plan for the next year of our work together. It is an exciting time in our ministry!

Pastors4Pastors

Our Pastors4Pastors groups continue to grow and thrive, with 6 active groups with almost 40 ministry leaders from around the world. We have a couple spots open. To learn more, contact Jen@amazed15.org.

Upcoming Zoom Seminars

Tues. 4/11 Leading Through Change

Thurs. 5/25 Generational Understanding for Churches

Thurs. 8/17 Habits of Healthy Churches

Thurs. 11/9 Habits of Healthy Leaders

Best Practices Phoenix Conference

We enjoyed connecting in February.

Preparing for Amazement Ministries

Empowering and equipping churches and leaders to create lasting and transformational health

Visiting Your Church

We would love to visit your church! Our Executive Director is glad to come to your church, preach and share about our ministry. There is no cost to this so long as we can share about our ministry in your worship service as we seek to get the word out about our ministry and engage more financial partners. We can always make more of the trip and do a seminar or one of our leader health retreats. Email us at info@amazed15.org to learn more.

Coming soon!

Sometime after Easter we will be launching a new resource for churches and leaders seeking revitalization.

An online learning platform will provide resources for pastors, church staff and church leaders. The platform will include a bank of documents such as personnel policies, conflict covenants, evaluation forms and other resources and tools for churches. The highlight of the platform will be a series of leadership courses that can be used with staff teams, boards or other leaders. Each course will have a series of short videos (5-15 minutes) that can be used as a part of normal meetings and gatherings. Courses will continue to be added as the platform is built up. Current courses include Habits of Healthy Churches, Created to Connect (leadership and self-knowledge through the enneagram) and a course on engaging with your community. The platform will also allow participating churches and leaders to connect with one another. To learn more or be notified when we go live, email nate@amazed15.org
