

Preparing for Amazement Ministries

Empowering and equipping churches and leaders to create lasting and transformational health

October 2023

What is Revitalization?

Our definition includes three considerations.

- Looking like the Acts Church

All ministry is contextual, yet we also have a model of what God intended the church to look like in the early church found in Acts.

- Finding Transformation

We want to help churches find new life in Jesus in the midst of confusion, crisis, conflict, decline, or plateau. If God has allowed a church to continue to exist, then God is not done with it yet!

- Partnering with the Holy Spirit

The church should look for what the Holy Spirit is doing in their midst and in their community and figure out how to join the Holy Spirit in that work.

We are glad to help any church revitalize and offer a variety of services and resources to help. Contact us to learn more!

Looking at the Numbers

- "Just 1 in 4 Americans is a practicing Christian" (2000, State of the Church, Barna).
- In 2000, that number was 45%.
- Overall, church attendance is declining.
- **THIS IS AN OPPORTUNITY for renewal & revitalization!**
