Testimony from our Church Revitalization Ministry

Pastor Marcus has been a huge blessing to our church in making the environment healthier. Not just for the staff and council, but for the congregation as well. He came at a time that we really needed a lot of help with grieving because of the loss of our Pastor due to resignation. We were having to unlearn a lot of bad habits and he helped us to put good procedures and policies in place. For myself, his caring manner and his positive outlook on how to move forward, helped me so much.

I can't thank him enough for all his help and I will continue to use what he has taught me in my position as Office manager, as a member of our church and in life. I would highly recommend Pastor Marcus and his Preparing for Amazement Ministries!
